Announcements

❖ We are planning to make a church directory again this year. We hope to have photos taken in March or April and the book completed by summer. Pricing structure will be a little different with not using LifeTouch to take photos and provide the book for free (subsidized by the people who purchased expensive photos). Because of this, we are looking for around \$2500 in donations to make the final price cheaper for everyone (there will still be a small fee for each book). Please reach out to the committee with questions, suggestions, or donations.
