### **Historical Note**

This coming Tuesday, January 21, marks the 500th birthday of the Anabaptist church. On this date in 1525 in Zurich, Switzerland, a small group met and received adult believer's baptism. They knew the seriousness of the step they were taking, and many of them soon paid for it through persecution and martyrdom. Yet their faith and spiritual fervency gave birth to a movement that is still alive today. May we thank God for the heritage that has been passed on to us!
